Get access to the latest research and subscribe today at wileyonlinelibrary.com/journal/imhj

Editor: Paul Spicer, PhD

The Infant Mental Health Journal publishes peer-reviewed research articles, literature reviews, program descriptions/evaluations, clinical studies, and book reviews. The journal is dedicated to an interdisciplinary approach to the optimal development of infants and their families, and welcomes submissions from all disciplinary perspectives.

Activate your 60 days of free access to Infant Mental Health Journal in three easy steps:

1. Log in or register for a Wiley Online Library account at wileyonlinelibrary.com
2. Go to “My Profile” and select “Trial Access” from the left-hand menu
3. Enter the trial access code IMHJFREE (case-sensitive)
